This oceanfront home was built by famous architect John Randall McDonald, a true fortress in the Caribbean. Listen to the waves crash in honeymoon cove below, soak up the sun, and relax with your favorite island drink in a large, private pool with gorgeous ocean views from this home in Judiths Fancy. It is centrally located between the two main cities and is one of the few gated communities on ... [Show more >](#)

Wonderful home. Had a minor problem that was addressed immediately! The house is a perfect layout for adults traveling together!

The house and surroundings were amazing! Beautiful house, loved the layout and it included everything we needed. So much house and a pool for the price. We felt so safe and the house was just a short drive to the boardwalk for some nightlife. Our family is already talking about our next trip back. If the house is available make sure you book.
