Stunning house and location. Private, pristine, incredible views!
So much space to accommodate a lot of people, we had 11 people and a baby, plenty of room to have your own space...

We booked this place many months in advance to celebrate my 30th & my cousin's birthdays with family and close friends. The house was very beautiful and the view is what sold it! Michelle was wonderful and responded quickly whenever I had a question. We will definitely book this home again in the future and highly recommend to anyone...

Highly recommend Seascape!! It's a beautiful, spacious house that was perfect for our family and friends. The property is nice and secluded with tons of outdoor space overlooking the water. We had our wedding welcome party here and our guests couldn't get over how amazing it all was...
