The villa was as beautiful as the pictures showed, the views were amazing and the villa was very clean and spacious for our group of 8. Our concierge Lisa was awesome, very helpful getting us settled and helped get a few glitches fixed quickly with the villa.

Chad has lived in St. Croix during most of his childhood, only leaving to attend military boarding school. He returned to continue to enjoy all that St. Croix and the Caribbean have to offer. He loves to boat, fish, snorkel, scuba and sail. Due to his upbringing on the island of St. Croix, with its diverse history and culture, his travels have been a representation of this fact. Traveling as far as the Philippines, Thailand most of Europe and South America, Chad has emerged himself in each and every areas food, people, music and culture. During his life adventures he found a partner that not only enjoys the very passion to travel but has opened the doors to new life adventures. With the expansion of his family to include their son, they continue to travel creating wonderful memories. Of course their first family trip was to St. Croix for Christmas carnival, which was nothing short of amazing. When not attending to guests needs Chad is a Full time Firefighter/Paramedic for Palm beach County Fire Rescue. For Chad, life has so much to offer, he works hard and plays even harder because he feels it's not only good to take care of the community but it's great to seize the moment. He hopes to hear from you so he may assist you with your vacation travels.
