No air conditioning. Gets very hot at night. Lots of mosquitos and ants all around. In house pool is amazing. The view is also very scenic.

Beautiful location! Millie was a godsend, meeting us at the airport and on call whenever we needed her. The host was great to communicate with, very responsive . Wonderful place to visit.

This house is amazing! My husband and I have visited the island four times so far and this is definitely the best view we've ever had! We watched a rainbow form in front of us practically every day! It was magic! The marriage of indoor to outdoor space was perfection! I loved everything about it! Millie was a wealth of knowledge, super fun, and helpf...

This open air home was perfect for a week in St. Croix. Waking up to the view of the Caribbean Sea and Bucks Island was such a soothing way to start the day. It was nice to slip down to the pool for a morning swim, watch the stunning sunset in the evening and then finish the night with one more swim before bed. The space of this home provided nic...

We absolutely loved this house! From the time we booked to the time we left, Colleen and the caretakers of the property Millie and Randy were super helpful and kind. Colleen took time out of her day to recommend activities while on the island. Millie made sure we had our groceries when we arrived, booked our dinner reservation for us and...

Jeff is retired and I am a registered nurse. We love to spend our time with friends, and traveling. My passion is nursing. I have a full time administrative role, and work PRN on the weekends at a local emergency room. Jeff's background is in manufacturing. We have traveled the globe, our favorite spots are Tahiti, Switzerland, and St. Croix in the USVI, where we have an amazing vacation property. In addition to our St Croix dream home, we have two rentals here in West Tennessee. You can find all three of our amazing rentals here on Air BNB. We have a perfect little fully furnished guest home ("Chateau LaCroix") perfect for traveling nurses or other corporate travelers. We also have a barn that has been turned into an adorable efficiency ("The BOB"), perfect for one or two guests for a romantic getaway, or even a short term escape for the corporate traveler. We are very proud "Super Hosts" and it is always our mission for you to have a perfect stay! We sure hope we can host your next vacation.

During your stay

Owners live off island, but have property managers and close friends there to assist whenever needed.
