We had a very comfortable stay with plenty of room for all 6 of us. The house feels very open on the inside and has a large deck and plenty of seating area on the outside. One thing to note for the folks who might have a hard time with stairs: the house is laid out like an amphitheater with the bedrooms, kitchen and dining all on 1 level and the main...

This home is near the East End and Point Udall. It is walking distance to Jack and Issac Bay Preserve. The description of the property is accurate. It is about 20 minutes from Christiansted. We chose this property for the location, view and pool. The home had everything we needed for our stay. Jason and Mike were responsive to any...

We had a fantastic time at the house. It is extremely beautiful and well-maintained. The surroundings are idyllic! Access to the beach is easy, a nice walking path was added, and you can get to the top of Sugarloaf Mountain within a short walk from the house to start the hike into the nature conservancy and up to the peak. This was our first Airb...

We found our retirement dream home in the USVI before I am ready to retire, so I have decided to make it available for your enjoyment until that day comes.

Hidden Valley Villa is a gem of a property! From the unique location which has gorgeous trade winds throughout the year to the spaciousness of the entire home. Each bedroom is well appointed with A/C, and best of all have sweeping views of the valley and the Caribbean Sea. We love the modern vibe of the home, the deep pool and expansive deck. Sitting on the deck at night watching the fireflies with a rum cocktail is an awesome experience
