Robin's house was just as described and more than we could have asked for. The house is located just steps from a lovely almost-private beach. Most days, we were there alone to swim. The property was exactly as described and Robin couldn't have been any nicer or more responsive. If you are looking for a quiet and private location to relax, this is the house for you!!

Lovely location with amazing views and the perfect amount of space and peace. The house was amazing with enough room for me and my husband to stretch out and enjoy our 7 day vacation. I would definitely recommend this location to anyone visiting St. Croix the couple who runs it was amazing and very nice to talk to.
