Frequently Asked Questions and Answers

What are people saying about scuba diving in St. Croix, VI?

This is a review for scuba diving in St. Croix, VI:

"Great dive options at affordable prices! Upon entering the dive shop, everything was clean, neat, and orderly. We got fitted for dive equipment days before our dives. The equipment was clean and in good condition. We did Frederiksted Pier day and night dives with Michael. He was instructive, knowledgeable, and patient. Both dives were fantastic and should be included in must do dives if you have not done these before. Several days later we did a two tank wall dive at Cane Beach. Again, a very positive dive experience with Michael and Carson. Cost for eight dives (two persons for 4 dives) was \$420 (plus 20% tip): Net cost per dive including tip - \$63 per dive, Sweet Bottom dive experience priceless! Many thanks to Laura and her team for some awesome memories!"
