

Half Day Sails

Spend a half day with Big Beard's cruising to Buck Island aboard the Adventure, a 42' power catamaran.

Designed and built on St. Croix, the Adventure offers a comfortable and exhilarating ride with ample shade and protection from the elements while still offering plenty of room to soak up some

sunshine and enjoy the views. The Adventure departs from the Christiansted Boardwalk twice a day. To begin, you will spend time on Buck Island's Turtle Beach, where you can learn to snorkel with a lesson provided by our crew or just relax and enjoy the beach. Then it's off to our underwater trail where you will be guided in small groups through the reef, home to hundreds of fish and coral species. We provide all the gear necessary and filtered drinking water throughout the day for you.

Finally, you'll enjoy the warmth of the Caribbean sea and sun on the relaxing cruise back to Christiansted.
