What are people saying about car rental in Saint Croix, VI?

This is a review for car rental in Saint Croix, VI:

"I've rented from every major car rental company throughout the States, and I've never had a smoother experience than I had with Judi of Croix. They were able to supply me with a Toyota Corolla on a week's notice, met me at the airport right as my flight landed, and were very straightforward with any existing bumps and bruises on the vehicle. Their return instructions were very simple and I had no issues. Payment was handled exactly as they stated it would be. Paid just under \$350 for a week-long rental. Just as a heads-up, you will need to provide your own insurance as Judi of Croix does not provide any liability coverage. I would highly recommend them to anyone visiting the island!"
