The room is spacious and comfortable but the toilet is overflowing which makes staying very uncomfortable. Request wasn't fast.

Jimmy and Stephanie just recently took this resort over and have done an incredible job. We thoroughly enjoyed our stay as parents to a 4 month old. The cottage was perfect location, great view and they had incredible food! They have big plans to remodel and uplevel the place and it was lovely to be part of their journey. The beach was fantastic and their bar was modern as well. Hands down a great value with above and beyond service from all the staff. We will be coming back!

Would definitely come here again. Not as ritzy as some other options nearby but solid. Facilities were fine. Staff was excellent and very friendly.

That it was family owned and operated. The Thorpe family are an incredible team of hard workers. Also, Elizabeth who was so friendly and pleasant every day. Will definitely go back next year ! Can't wait to see the changes. Thank you for a great vacation spot Rick and Barbara Wayshville...

Chenay Bay Beach Resort, now Bungalows on the Bay exceeded our expectations for the perfect place to stay on the St. Croix. The bungalow we stayed in needed a few bathroom updates, but the new owners are working tirelessly to improve the property. Everyone at the resort was friendly and helpful. The food at the onsite restaurant, prepared by the chef, Herman, was superb. His coleslaw is amazing! The view from our bungalow and the restaurant were awesome and the walking from one end of the beach to the other was lovely. I am not one to want to return to the same place for vacation, but Bungalows on the Bay is one place I would love to return to again and again.
