Fishwater Charters offers small, private trips with up to 6 passengers on the boat, along with Captain Alex and his first mate. Typically staying within a few miles from St. Croix shorelines, we target pelagic species including tuna, wahoo, mahi mahi, and marlin. Other fish we frequently catch include snapper, king mackerel, cero mackerel, barracuda and many other reef species. Guests are welcome to keep as much fish as they would like.

All charters include life jackets, fuel, bait, tackle, fish cleaning, water, and iced coolers. Please feel free to bring food and drinks for your group if needed! All guests will be required to sign a liability release form prior to departing on the charter.

Fishing charter guests are picked up and dropped off from either the Christiansted Boardwalk (East End) or the Frederiksted Pier (West End). The boat is trailered, so we will make the location call based on your fishing interests, weather and recent fishing reports. All charters are run on a 30ft Grady White 306 Bimini center console with twin F300 Yamaha outboards.

To reserve your charter, please call or email to confirm the date. Then pay the \$200 deposit online and officially book your trip. The remaining balance for the fishing charter will be due when you arrive at the boat and can be paid via PayPal, credit card or cash.
