Our family, 6 people, had a lovely stay over the holidays. The home is in a safe central location. David the property manager was very nice. The home was well stocked with basic soap, paper products, beach towels, and kitchen equipment. They even had a Christmas tree for us. We will definitely look at staying next time!

Host's response:

We are so happy you were able to spend your holidays with your family at our Villa. You all were a pleasure to have and we would welcome you back anytime.

Cool breezes and stunning view

Our family of 6 gathered at Sea Horse villa for a week over spring break to visit with our adult daughter who has moved to St. Croix. We had two 15 year olds, two 28 year olds and two 55 year olds. The house has a wonderful layout that allows four separate private suite experiences and one central gathering space plus the pool area. Perfect set up for us! We loved that the grocery was 3 minutes away, downtown Christiansted only a couple of minutes further, and the Buccaneer resort beach a simple downhill drive. Owner communication was clear and easy (and we planned many months in advance), we were welcomed by David and a GORGEOUS welcome basket which we fully consumed. Perfect level of privacy along with the feeling that David was available if we needed anything. We would highly recommend this property!

We just returned from a week at Sea Horse Villa and had a great time at the property. The house is lovely and really has a comfortable home feel to it. The location within the gated Shoy's community is great for exploring the East End of the Island and for heading into Christiansted but is still an easy ride out to the West End or North Shore for the day. The views off the porch and out over the pool are beautiful. The photos don't do it justice. Maura was great to deal with and check in and check out was a breeze. We would definitely recommend this property for folks looking for a spot to stay on St. Croix.
