Winter Getaway

Beautiful villa with many amazing vistas. Lots of space for three couples to spread out although we spent most of our time on the upper veranda with an amazing view of the ocean.

Holidays at Villa Santa Cruz

5/5 Stayed Dec 2022

Our family thoroughly enjoyed our time at Villa Santa Cruz. The property was exactly as advertised (if not better). Austin met us at the airport and escorted us to the property and Chef Jay made us two delightful meals. Our entire family would not hesitate to return to this wonderful property.

Amazing house! Amazing location! Amazing vacation!

We had a group of 8 adults for our trip to St. Croix. Our stay at Villa Santa Cruz was epic! The house was fantastic! Plenty of room for all of us to hang out together for dinners, on the patio for coffee or cocktails and down at the pool. The bedrooms were spacious and comfortable. The kitchen is well stocked with everything you'll need. Loved the BBQ area outside. It's a great house to just hang out and enjoy the incredible views. On a clear day you can see St. John and St. Thomas.

The grounds were beautifully maintained, the pool was wonderful - we brought floaties but there were some available to borrow as well. We so appreciated the coolers and beach chairs available to borrow for a couple of excursions we took to some different beaches. The beach right behind the house is rocky but still totally doable with appropriate footwear. So much fun looking for shells! We loved seeing the Eagle Rays - we had three that visited most mornings and evenings to feed - so fun to watch! The marine life is great - fun to snorkel - a bit sketchy because of the waves at times and watch out for the sea urchins!

Austin was incredibly gracious and met us at the airport upon our arrival so we could follow him back to the house. Driving on the left side of the road is an adventure for sure! You really should rent a car though - makes getting around the island so much easier. Beware of GIANT potholes in the road!

We had asked Juliana to make us a special dinner on our first night to celebrate a couple of anniversaries - DELICIOUS!!! We had leftovers for days and days!

Exploring the island is easy and fun. Just get in the car and drive! We did the Buck Island Tour - MUST DO FOR SURE. Golfing at The Reef (course is a bit rough, but still beautiful and a nice little 9-hole course). Point Udall and a hike. Lunch at The Landing - blackened tuna bites - YUMMY! Rainbow Beach (we found a little secluded spot that was amazing). Rented kayaks at Salt River marina. It's so easy to do all the things OR just sit and watch the ocean.

Truly one of the best vacations we've ever taken. This was our first visit to St. Croix, but I can guarantee it won't be the last.

Book this house! You won't regret it!

A beautiful, well designed house perfect for a group. The location was great with a large pool and a perfect kitchen equipped with everything you need to cook during your stay. The property manager Austin, was extremely responsive. We also had a meal prepared by Julianna which was excellent. Can't wait to go back!!

Villa Santa Cruz – 11/19-26/22

The Villa is in a good location, north central, and was clean and well maintained. It has a beautiful view of the ocean and we enjoyed watching the waves roll in from the many northside windows. The special attributes exceeding our expectations were Austin, the Property Manager, meeting us at the airport to lead us to the Villa and then explain all the details; the hors d'oeuvres provided by the owner; Austin's wife, Chef Jay, catered three of our meals including a full Thanksgiving dinner, all arriving on time, well prepared, hot and ready to eat. The home is spacious with 4 BRs, a den, a large kitchen, dining area and family room, a nice size pool, pool table and exercise room. The generator was needed periodically and worked well. The owner and staff were very responsive. We would definitely want to stay there again.
