From the moment you cross the threshold at SolMates, you'll find yourself beginning to relax. Everything at this private oceanview condo in the desirable Villa Madeleine complex has been designed to instill a sense of peace, comfort and happiness.

The heart of the home is the private pool and pool deck. The rest of the house is built around it, with French doors (and new screen doors) from every room providing maximum views, breezes and privacy.

The two luxurious master bedroom suites are at opposite ends of the house. The primary master bedroom features a mahogany king size bed, and the second master features a king bed that can also be converted into 2 twin beds. Each master suite has a large bathroom with pink marble walk-in shower and separate water-closet. Both bedrooms also have AC, cable TVs, ceiling fans, views of the ocean and hillside, and French doors out to the pool deck.

The pool and deck are furnished and equipped for floating, sunning, dining, and limin', island style! You may never want to leave!

For times indoors, the living/dining room features comfortable furnishings for watching movies on the flat screen cable TV or WiFi, listening to your favorite tunes via the Bluetooth stereo speakers, and just kicking back.

The galley kitchen is well-equipped for serving cocktails, snacks, and full meals. A gas grill is sheltered from the sea breezes on the separate grilling patio, under the shade of palm trees.

For dining at home, there's a cozy rattan table for 4, or an umbrella-shaded patio table by the pool.

While you may never want to leave SolMates, there is so much more to enjoy on St Croix! In addition to tennis on the grounds and golf just minutes away, SolMates is convenient to all island activities — beaches, scuba and snorkeling, boating and other water sports, restaurants, shopping, and a casino, and historical sites.

East End Quiet

Second time at this location. All clean and quiet. Little things were a little shabby but nothing to take away from the stay. Tvs could be SMART and AC updated for whole villa. It's hot in the afternoon with really no shade by the pool. Can only take so much sun. Umbrella was no help. Cramer's is a hidden jewel of a beach. Duggans good but a little off track. Goat soup is very good and Hamiltons is outstanding if u can get a reservation. Ok we loved it.... really!

The property is the perfect place for those looking for a peaceful retreat. The pool is beautiful and the gated property makes you feel safe. The owner is extremely helpful and accommodating. Thanks Patricia for all your help.

Perfect vacation

live up to the hype we built in our minds (since it had been 7 years since our last trip) and it ~~we~~ did. We walked into the house and music was playing on the radio...an amazing and thoughtful touch. The pool was crystal clear and fabulous. Communication with Pat both before and during our stay was prompt and very helpful and friendly. The house was clean, had lovely island decor, the bedrooms were comforting, and all in all the place felt like home...even our 7 year old said so. The kitchen was well-stocked with everything we needed to cook dinners. There were even extra toiletries like lotion and aloe for those days when we got a little too much Caribbean sun. We couldn't be happier with our choice to stay at SolMates and it was everything we wanted in an island family vacation. Thank you for sharing your home with us!
