What kind of car is best for your visit to St Croix?

Whether you're traveling for pleasure, business, or a little of each, you'll love our late-model sedans, SUV's, and mini-vans. They're all automatic, air-conditioned, and come with unlimited mileage.

Hyundai Accent

Toyota Corolla

Hyundai Santa Fe SUV

Toyota Sienna

We have several small cars perfect for sight-seeing and vacation budgets including **Nissan Versa** and **Hyundai Accent**. Each seats 4 and their nimble size makes them perfect for navigating Christiansted and our island roads.

Toyota Corolla or **Toyota Camry** are comfortable for making a business call or for that little extra room (seats 5). Want something more sporty? Try one of our SUV's including **Toyota RAV4**, **Nissan Rogue** or **Hyundai Santa Fe**. Both offer seating for 5 and extra room for gear. Our other vehicles, especially our 7 or 8 passenger **Toyota Sienna** vans are perfect for larger vacationing groups. Call and ask.
