I moved to St. Croix in 2010 for the quality of life and I cannot imagine living anywhere else. I am definitely what you would call a St. Croix enthusiast! I've spent the last seven years massively renovating my home, creating a little corner of paradise overlooking Salt River Bay, and now it brings me great joy to share it with others.

I will meet you when you arrive to show you the property and I will always be available to answer any questions you may have.
