The place is gorgeous and well appointed. Looked exactly like the pictures and the views were even prettier in person.

It's beautiful! You will not be disappointed. Everything you need is there and I highly recommend the grocery delivery they offered for a small fee. It was so nice to come in and everything we needed was there.

Highly recommend.

Perfect for spending your vacation at "home".

Great outdoor & indoor living spaces.

Must rent car (regardless of where you stay on island).

~1 hour to Sandy point. ~45 minutes to Tide Pools/Cane Bay. ~45 minutes to F'sted. ~35 minutes to airport.

~20 minutes to C'sted. ~15 minutes to gas/groceries.

Convenient to Divi, Duggans, Ziggys, Salt Great Pond (highly recommend), Jack & Isaccs, Point Udall and Goat (Sugar Loaf) Hill.

Will need to buy more toilet paper (even if you don't spend that much time at the house).

Would recommend bringing your own snorkeling gear if you have.

6BR & 4 baths (not 4.5, as listed). Layout minor inconvenience - 1 Queen connected to bathroom (2 doors) w/ 2nd Queen & Twins near. Essentially 8 (of 12 max) sharing 1 bathroom.

Bright light in all rooms (no room-darkening shades, as listed), makes it easy to enjoy the sunrise!

AC does not keep 1 master cool.

Need wifi extender (currently 4 of 6 bedrooms w/ spotty or nonexistent signal)

We loved the home. The pool and the beach were amazing The kitchen had everything we needed. Enjoyed the gas grill and all the beach gear. I definitely recommend renting a car. You are 15 to 20 minutes from the closest stores.

I watched the sun rise every morning from the pool deck or beach. Fantastic. We had a few minor issues which were remedied same day. It was actually a plus because we got to meet Justin who helps maintain the home. Really nice guy. Definitely would come back.
