This was hands down THE BEST STAY we've ever had in Airbnb!!! The pictures are absolutely accurate, you're literally falling asleep each night to the Caribbean crashing on to the rocks. Super safe house with gates and passcodes and in a great location to a wonderful beach and restaurants!...

Great location with the ocean waves right out front and walking distance to Cane Bay. It's the perfect amount of space for two people and very convenient having a kitchenette. Debra and Jay are very friendly and helpful and we loved staying here!

It is a beautiful place! Close enough to the beach to walk to it. Property has several places to sit and enjoy the ocean view.

Outstanding! The view is stunning and location was just right, quiet enough for us but within walking distance to a few good restaurants. Debra and her husband were very gracious hosts and we had everything we needed. Perfect and clean little cottage! We will be back!
