ST. CROIX

U.S. Virgin Islands

St. Croix, U.S. Virgin Islands

The quaint harbor town of Fredriksted welcomes you to the beautiful island of St. Croix. Calm, clear and warm waters rife with seahorses and other unique marine life make Fredriksted home of the best dive sites on the isle. Some of them just steps from our ship. For those who'd rather stroll, the original city grid of seven streets by seven streets remains intact, making for a lovely journey of history through architecture. You're guaranteed not to get lost while you explore points of interest that include examples of original Danish colonial as well as Victorian residences from the town's rebuilding in the late 19th century. Still, some might prefer to lead their afternoon with a lunch of lobster bisque or any of the other delicious examples of the taste of St. Croix. Looking for a cruise to St. Croix?
