ST. CROIX, USVI

Cruises to St Croix offer some of the most striking scenery you can see on a cruise — on land, on the water, and beneath it. The island also has a fascinating history. St. Croix's path to becoming a U.S. Virgin Island took it through the hands of France and Denmark. While we're talking geography, cruises to St. Croix let you explore a variety of it, ranging from the east end's desert vistas to rainforest and palm trees on the west. Underwater, coral reefs are abundant, making SCUBA diving a great way to see best-hidden local sights during cruises to St Croix. As far as...
