Gecko's Island Adventures has been offering tours of St. Croix's beautiful rainforest since 2009! Now it's time for you to get in on the action! We offer 3 tours depending on time and ability, as well as several add-ons with partner companies. Come try our Original Gecko's tour or if you are an experienced driver check out our Advanced Tour. Soon you will have the option of enjoying the private Tide Pool tour...

Our Original Gecko's Tour lasts approximately 1 1/2 hours and covers 14 miles of tropical terrain. The tour begins at our office in Frederiksted. We start by riding along the west end coast line before heading up into the hills. We make a stop at an overlook that gives you a fantastic view of the north shore. As we continue, we make our way to the top of Mt. Stewart where you see panoramic views of the surrounding sea. We visit plantation ruins from the early 1800's where you get time to explore and take photographs. From there we descend through the Sub-Tropical Rainforest before ending the tour at the Gecko's office in Frederiksted. This tour is perfect for first timers, history enthusiast and families. Whether you are in port

with the cruise ships for the day or staying on island, this trip gives you the most history and interaction. If you are new to the island we recommend doing this tour for your visit. Our guides will give you a great overview of the things to do and see during your stay. Drivers must be at least 18 and have a drivers license. Passengers must be 5 years old or up.
