Calypso Condo is located in Gentle Winds Condominiums directly across from the lawn from the beach with great views but no afternoon sun pouring in. You'll love our place because of the view, the decorating, the cathedral ceilings, the remodeled kitchen, the comfy beds, the A/C, the many original works of art and the fact that Burt Lancaster chose our unit to stay in when filming "The ...

Barbara's place is exactly how it appeared in the pictures. Our first reaction upon entering is "wow", the place is very homey and has everything that we needed- from beach towels to pots and pans., plastic mugs for our drinks by the beach (no glass allowed). The screened patio is perfect for having a relaxing and easy breakfast. Gentle Winds...

My family and I really enjoyed our stay. The condo offered everything you could ask for. The beach and pool were only a minutes walk and both well maintained. I would highly recommend this condo.

This is a wonderful place with beautiful view and beach. Snack shack was great at beach. Plenty of chairs and nice pool. Condo was so well stocked with amazing cookware and spices and had condiments in fridge as well. Tv great with abundant channels. Was able to watch our football playoffs. Barbara's Calypso condo is a great place for a family vacation. The decor is so welcoming and just invites you to come play. Everything you need to enjoy a Caribbean island vacation has been provided. Can't say enough good things about this home away from home. Thank you, Barbara, for a wonderful vacation!

Where you'll be

Christiansted, St. Croix, U.S. Virgin Islands

We are located on the north shore halfway between Christiansted, the main town, and Cane Bay, famous for its diving. 66 units are located on 40 acres so there is plenty of space and we are completely surrounded by forest and the ocean. You'll feel like you are in another world as opposed to a condominium development in the middle of civilization.

I am a retired school teacher with a love for travel. I have two condos that I rent out when I am not using them. I live on a 40 acre horse ranch where we board horses. I have three horses and two dogs. When I travel I like to get to know the country and live as closely as possible with the locals. Adventure cruising on small boats using zodiacs to go ashore would be my next favorite. I guess if I had a life motto it would be "Up and At Um" and "Never a dull moment."

During your stay

We have a housekeeper/manager that is always available to help with any problems and the Homeowners' Office and manager is always there as a backup. There is usually a potluck BBQ on Thursdays if enough people sign up in the office. Bring your own food to BBQ and a dish to share.
