Barbara's place is exactly how it appeared in the pictures. Our first reaction upon entering is "wow", the place is very homey and has everything that we needed- from beach towels to pots and pans., plastic mugs for our drinks by the beach (no glass allowed). The screened patio is perfect for having a relaxing and easy breakfast. Gentle Winds neighbors are very friendly too. My kids asked me on "when are we coming back". Highly recommended, we'll definitely comeback.

Thanks so much for the lovely review. I do try and make it everyone's home away from home and art and interior decorating are my hobbies. Barbara

My family and I really enjoyed our stay. The condo offered everything you could ask for. The beach and pool were only a minutes walk and both well maintained. I would highly recommend this condo.

This is a wonderful place with beautiful view and beach. Snack shack was great at beach. Plenty of chairs and nice pool. Condo was so well stocked with amazing cookware and spices and had condiments in fridge as well. Tv great with abundant channels. Was able to watch our football playoffs. Great location close to Christiansted as well as other mid island restaurants. Had a great vacation here and highly recommend.

Barbara's Calypso condo is a great place for a family vacation. The decor is so welcoming and just invites you to come play. Everything you need to enjoy a Caribbean island vacation has been provided. Can't say enough good things about this home away from home. Thank you, Barbara, for a wonderful vacation!

Calypso Condo at Gentle Winds in St. Croix is an amazing place to stay. It is very tastefully decorated and had everything we needed during our stay. Barbara(the condo owner)is very attentive and even emailed us during our stay just to make sure everything was going ok. Calypso Condo is even better than advertised!
