Super friendly homeowner. Beautiful pool and beachfront. Great snack shack. Kids enjoyed shuffleboard. Complex is clean, quiet & safe for kids to roam a bit. Condo is spacious, clean, and has all you need! Lovely central location to explore island. Would definitely stay again!

This condo was super nice and the complex has an amazing pool, snack shack, and beach. The food and drinks were really good and very convenient to have right there on the property. We will definitely return!!

This unit was nicely updated and very comfortable. The amenities were great. Nice pool and snack bar that served drinks and great food from 12-4:30. We will hopefully stay here again in the future!
