This was a great place for us. Space for everyone to get their own bed and no bathroom sharing was a plus. The view and location to beach and pool we great. Make sure to stop by the beach shack for lunch!

I loved sitting out on the balcony and watching the water and stars. Gentle Winds was a great point to go into Christiansted and Frederiksted.

Communication with Robin was easy. The only suggestion I have is to update the Welcome Book with recommended grocery stores. Some are more expensive then others on the island, if it wasn't for the tv being replaced when we got there (new 65" :) then we wouldn't have known which stores to avoid.

Stop thinking about it and go ahead and book, you won't be sorry. We're sure to return to Gentle Winds if we make it back to St. Croix.

Ideal Condo Rental

This condo rental is ideal! The location is absolutely perfect, the condo is clean and set up with renters' needs in mind, and the community property is fantastic. The private beach and enormous pool were awesome and never crowded - many times we were the only ones there using them. The property manager Robin was wonderful to deal with and very quick to answer any questions we had. The only thing that would have been nice to know beforehand is that the water is not ok to drink. Having arrived late at night, it would have been nice to at least have a jug in the fridge to get us started until we could make it to a store the next day to get groceries. Other than that, we had absolutely no complaints and loved staying here! If we ever come back to St. Croix, we would definitely rent here again :)

We loved our stay here. Wonderful view of the sea. Beautiful setting. Everything you could possibly need in the condo. Robin checked in with us before our arrival to make sure we had all the info we needed. Will return!

This was an "once in a lifetime" vacation for my family. This rental and the experience we had will be turning it into a repeat vacation when we can. The location was perfect in relation all the amenities that is offered at Gentle Winds. The unit itself was updated and the perfect size for my large family to spread out and have there own space to enjoy this vacation how they wanted. Can't wait to enjoy this Island Paradise again!
