Absolutely Delighted

5/5 Stayed Mar 2023

Six of us (three generations) rented this beautiful townhome for a week at the end of March. It was simply a dream come true for all of us. So clean and bright, with incredible views of the ocean and the stars. Tastefully furnished with all amenities and just a short walk to the pool and beach. Definitely deserves the highest rating we can give. We would love to stay there again some day.

E8 has fabulous views and breezes. We rarely used the air conditioner. The beach Shack is awesome and really some of the best food and service on the island. I have been coming to STX and Gentle Winds for 40 years. The big big plus for me..The beds in E8 are super comfortable! The decor is the unit is wondeeful

Beaches and Fun

5/5 Stayed Jul 2022

We wanted to get away from stress and work. Villa Mango was the resolution. Plenty of room, on the beach, fantastic pool, and fun snack shack and bar. Manager Robin was the best for suggestions for dining and activities. We stayed busy 8 days. Rented snorkle equipment and had fun at the many beaches. People were friendly and courteous drivers. Rent a car to explore. You will have great vacation. Get groceries at Plaza for variety. Cramers beach by Point Udall has showers and restrooms and calm waters. Could go on for hours. Cheers.

Family Vacation

We had such a great time during our stay at Villa Mango! The condo was the perfect size for our family, the kids each had their own bedroom and bathroom, so no fighting! We were very close to the pool and private beach which was great for us. The close proximity allowed our kids to be able to walk back and forth as needed without us. We often had the pool to ourselves and were always able to get chairs on the beach under a palapa. Having a full service tiki bar on site that serves food was a huge benefit too! The location was great, an easy drive into Christiansted for dining and activities. I would definitely recommend staying here to anyone!

Great location, great condo

This condo is located on a very nice property, it feels like a resort. The condo itself is nicely decorated, roomy and comfortable, with a lot of common space area for everyone to hang out. It has 3 balconies. Bed are very comfortable, and waking up with the sound of the waves is just so relaxing. The view of the sea from the balcony itself is worth paying for. The unit is very well stocked with everything you need. One note, to turn on the shower in the bunkbed bathroom, pull down the ring from the bottom of the spout (it took us 2 days to figure it out). The Grill Bar by the beach is one of the best places to eat on the island, and honestly most affordable. If you are planning to cook some of your meals, go shop at Cost-U-Less (similar to Costco, no membership required), otherwise the local stores are expensive and don't have much variety on fresh veggies or fruit. Robin was excellent in assisting us and responding all our questions. We had no problem with checking in. We enjoyed very much STX, VI.
