Really beautiful condo with access to the beach. The drink and food shack was a nice touch too to watch the sun set in the afternoon. The water is a bit rough at the beach during our stay but the pool was great to take a dip.

The accommodations were great for our family of 7 with lots of comfortable beds and well stocked bathrooms. Kitchen was gorgeous with lots of cookware and everything we needed! We will definitely stay here again if we make our way to St Croix in the future. Thank you Eric!

It's a beautiful place to stay. The beach and pool are peaceful, and the little restaurant hut next to the pool was the perfect place to grab a quick drink/bite to eat while enjoying the sun. It is pretty centrally located between most of the activities and restaurants we went to on the island. It did not take long to get anywhere. We really felt it was the perfect spot. Eric responded almost instantly to a question I had while staying there. I would definitely recommend to anyone that they should stay here if they are visiting St. Croix.

This condo is located on St Croix North Shore, near Salt River. The facility was perfect for our mixed generation group (20 months to 75 years). It provided a nice mix of comfortable spaces to stay, study, loaf,

sunbathe, swim and even work if you have to (great wifi!). Great common room areas available with local information. Nice little beach bar. The complex has recovered from 3 major hurricanes and has been well maintained.

This unit is comfortable, well-equipped and -furnished for a group like ours for 2 weeks' stay. Lots of towels, linens, and starter materials like paper products. Eric and Carolyn were very responsive and helpful to our questions.

Highly recommended! We feel we couldn't have chosen a better place.

What a wonderful time we had at Gentle Winds! The home was immaculate and lovely. We had plenty of room for us to spread out and enjoy the week. The home was incredibly well stocked with towels, pots and pans, and anything else we needed. The property at Gentle Winds is just beautiful! The pool was so nice and the private beach was awesome! The food and drinks at the Sunny Shack were delicious. Gentle Winds is in a great location and we felt very safe the whole time. It was such a great visit and we would 100% recommend to anyone looking for a relaxing time in beautiful St. Croix!! It has been 20 years since we were in St. Croix last, but we certainly will not wait this long before returning! Eric and family, THANK YOU for opening your lovely home up to us!!

Our stay at this location was perfect. The secluded beach was nice as was the pool. It was within close proximity to everything, but a vehicle is a must if you plan on going anywhere. The unit itself was clean and had more than enough towels, pots, pans and utensils. A stroller and playpen being furnished was a great asset. The only negatives I could say would be that the unit was slightly dated, the spiral stairs are worth thinking about if you have toddlers as we did and the water pressure though adequate was not great. The host was awesome at communicating and very easy to work with.

This place is perfect if you are looking to enjoy a family vacation on the beach. The home is very clean and there are a lot of pot/pans and seasonings if you want to cook and towels for the beach. The house also has games to play like checkers, etc. there are books all around the house if you like to read. I would say the ac is perfect the home stays pretty cool, my sisters and my nephew spent every morning on the balcony eating breakfast to the view of the beach. The water pressure in the showers are great and the water gets really hot which is nice because some places the water doesn't get warmer than lukewarm. Honestly it's a great place to relax, it's like a home away from home and all the different patios leave room for you to choose quiet spaces to unwind. The Sunny Shack ran by Nick is awesome we did lunch there almost everyday the food is pretty fresh and reasonably priced. It feels like you have your own private beach and pool and pet cat (Ziggy). We're already planning our next vacation, I would say you need a car if you plan to explore the island but if you plan to sit on the beach like my family did you'll be fine without a car. Overall the experience was wonderful the house is clean with more than enough room for a family and it felt like home, the area is pretty quiet after 8pm but it's nice when you're seeking rest and relaxation. There's a clubhouse and beach toys outside and a pirate ship for the children to play with. It's a beautiful place to experience, the property is beautiful and the people are kind. Eric is great we had no issues with the...

Beautifully updated unit. Pictures don't do the place justice. The place provides all the things, even more than listing shows. We stayed with friends, and we never felt cramped when we were inside. Condo grounds were immaculate. You will need a car to get to town and the stores. The closest restaurant was a 15-minute walk. I would book again in a heartbeat!

Eric is an amazing, attentive host, and his condo is perfect. The location, view, surrounding tenants, the proximity to the beach and the bar is perfect. The condo is well-kept, spacious, and inviting, and was a perfect home away from home for our honeymoon.

It's even better in person. Just book it. Having the pool and the beach with the little beach bar right there was perfect. Everything was really clean and new, Eric was really responsive and helpful, we really had a great time. Traveling with 3 small kids can be rough, so where we stay is really important, that being said I would 100% book this spot again.

We love this place! It was just steps away from the beach and the pool. There was a wonderful restaurant right nearby. The air conditioning works great. The 3 balconies were so nice to have. The view of the mountainside from the master suite was spectacular. I also loved that every bedroom has its own en-suite bathroom. The washer and dryer worked well and was so convenient.

One thing to be aware of is that you will need a rental car. There is no food delivery in Saint Croix. And while there is a restaurant nearby, it would be a long walk.

We had a wonderful time at this beautiful Gentle Winds condo. Private setting with a nice pool, great beach access, and gorgeous views. It's a short 15 min drive to Christiansted where there are plenty of nice

restaurants and boat outings off of the boardwalk. It's a 10 min ride to Cane Bay for a nice beach spot. It's also a 30 min drive to get to the far west side of the island where we enjoyed Rainbow beach. Eric was so helpful and promptly answered any questions we had. Must get a rental car.
