Great area, lovely beach pool and view. The poolside bar and grill was fantastic! The washer and dryer was on the upper floor above us!

We loved staying in Greg's condo at Gentle Winds in St. Croix. There were ample cleaning supplies for our ten-day stay and more spice options than at any other rental place. We had two showers for the six of us (perfect.) He also had snorkel and sand toys for the kids. The beds were comfy and everything worked. We'd stay there again.

The best condo community on the island. Greg's place was extremely clean and well stocked. The beach is gorgeous, the tiki bar had the best drinks & lunch.

We enjoyed our stay at Gentle Winds; the complex's convenient location and amenities were the best part of our low-key vacation: large saltwater pool with views of the beach, plenty of loungers/umbrellas at pool/beach, and lots of toys/games to entertain. The other complex owners and guests were extremely friendly and considerate, which helps when you're on vacation! As of the condo itself, it was clean, nicely kept, but could definitely use updating to make it live up to its "luxurious" description (just so expectations are managed).

We had a great time staying at Gregory's condo. The unit has everything you need, was well appointed and clean. The Gentle Winds complex was resort like. The beach and pool are beautiful and just steps from the condo. There was beach/pool bar serving food and drinks from noon to 5 everyday we were there. Plenty of shaded seating provided on the beach and at the pool. The reef right off the beach is teeming with fish and ocean life if you enjoy snorkeling.

This condo and its location was more than I expected. The picture doesn't do justice. The condo is in a gorgeous location with a private beach and pool shared among the community, but there weren't a lot of people at the time that we went. Greg's place is close to nearby amenities such as kayaking, scenic drive to the villas. I would book again when I go back.

The condo was as described. 2 large bedrooms with bathrooms. Nice screened in patio areas. Kitchen has all the necessary items to make a meal at the condo. Great ocean view. Close walk to the beach/pool/beach bar and recreation area. Would stay again if we ever need to rent a place in St. Croix.
