Love Gentle Winds!

I grew up on St Croix, so bringing my stateside family down to visit is always special. We have stayed at Gentle Winds multiple times because the pool is one of the best on island (deepest for sure!), there is a snack shack to buy drinks and food at, the beach is great for seaglass hunting, and it is close to Cane Bay, one of our favorite beaches to snorkel at.

This condo is our favorite one we have stayed at, and I hope it's always available for us on future visits! Great location on the property, bright and light and updated with super cute decor, lots of towels, and the extras like shampoo, soap, laundry detergent, and sunscreen are helpful when on vacation. I was hesitant about the laundry not being in the unit- but it is absolutely NOT a problem. The laundry room is literally two steps from the front door and is for this unit only. It practically is part of the condo so it was absolutely convenient.

The only suggestion I could make is to use washable bath mats because that was the only part of the condo that didn't seem super clean to me. Coming in and out from the beach tracks so much sand, and they just looked a little icky. Minor point, would not dissuade me from renting this again nor recommending it to others.

Also, the door is a bit tricky. There is a keyless entry, which is convenient for arrival, but the door needs to be pulled/pushed to make sure the lock engages properly or else it errors. So it's a little nerve wracking when you don't do it right and are told after three mistakes, you will be locked out until management can get there! That never happened, and there is a traditional key in the unit that we carried with us just in case and used it most of the time. But again, not a reason not to rent this, just something to pay attention to the details!

Loved our time there! It was hard to leave! Thank you for allowing us to use your second home!

The Gentle Winds property is awesome and the condo had everything we needed for a great stay, even reef safe sunscreen! We had a few issues with the lock system but the owner was very responsive and helped us figure it out. My husband, adult kids and I are all interested in returning for another relaxing vacation in one of our favorite places.

The best thing about this property was how quickly the owners answered our questions. We never had to wait for a reply. There was a bit of a hiccup using the door lock code, but that was probably "operator error" on our part.

Amazing location in a great condo. Three best friends stayed here with the intention of relaxing and rejuvenating from a busy year end. The property is beautiful with amazing views of the beach and ocean. We stayed 6 nights and only left the property once to go to Buck Island. Easy to get taxi services when we needed to get groceries so if you don't want to rent a car you'll be fine. The Sunny Shack that provides drinks and food is adjacent to the pool and on the beach. Very convenient. Laura was very quick to respond when there was a short power outage and we lost WIFI for a bit. Kevin the building manager even came over to see if he could reset it. We had a wonderful time and plan to come back to Gentle Winds.

This condo is in a perfect location. We've been coming to St Croix since 1983 and always stay on the north shore. It's close to everything.

First time at Gentle Winds (we owned a house nearby for many years) and loved it. Pool, beach, snack shack with the best Painkillers. Beach had a drop off but once you got in it was fine. Loved the pool.

The condo itself is super generously appointed. Everything you need and more. The owner left an amazing amount of items for us to enjoy, including tons of beach toys that our grandson loved, plus shampoo, conditioner, soap, etc. Beds were comfy and linens very generous. Tons of towels. The laundry was very convenient and we used it mid week.

The condo is absolutely spotless. Because we know St Croix we were careful to keep all open food in the fridge and never saw any of the bugs that are very common there. Beautifully furnished and comfortable for our four adults and one child. And the views are fantastic.

If we ever get to St Croix again we would definitely stay at this condo. Owners were available immediately for any questions we had. It lacked for nothing. You won't go wrong staying at this place!
