## Picture perfect

The pictures don't show how great the property is. Much larger than expected. Views for days!! As a person that has frequented the island for the past 15 yrs there are few if any better ways to enjoy the north shore than this property. I will return for sure!!!

## Peaceful stay

5/5

The home sits on a hillside off Cane Bay which is a short drive down the hill. Several restaurants right on the beach and a dive shop. Snorkeling is possible right off the beach. Diving The Wall is a short swim out. The view is beautiful, lovely sunsets every night.

The home was very clean and well taken care of. Relaxing in the pool was great in the evenings. The kitchen is well stocked with items for cooking in. A small cooler is available for use, as well as a few beach chairs and an umbrella.

AC units and fans in every room. We let the breeze flow through several nights.

The tenant on the lower level is very sweet. We only saw her a couple times.

Owner was responsive to questions. Annabelle, the concierge was a pleasure.

## Perfect St. Croix getaway

5/5

We had a wonderful week in St. Croix in this home. The house was very clean. All of the details were perfect, down to the lovely table/umbrella by the pool, the towels folded perfectly in the baths, the kitchen fully stocked (all utensils, pots, pans, everything clean and in perfect order) for cooking. Linens very clean.

Lots of room for seating and enjoying family: a living room, a separate tv room, a dining room, a kitchen with a separate breakfast eating area, a gas grill, the garage and parking area... all of it clean and so nicely appointed.

We didn't need the AC units at all, there was so much wonderful breeze at night.

Hillside villa was so charming with complete privacy. But so close to Cane Bay's wonderful beach, five restaurants, and even a charming breakfast food truck! Perfect central location.

The views from the enormous deck were absolutely breathtaking. Having our coffee out there in the morning, or a drink at sunset, was fabulous.

Thank you for this wonderful stay!
