Perfect for our family/friends

The property was great and had everything you need. I loved being able to sit on deck and listen to the ocean!

Easy Breezy

This home is incredibly well equipped and comfortable. Our only concern was it took two people to safely pull out of motor court onto street. A mirror at the gate would help.

Beautiful views/Relaxing

Just what we needed. Location was great, property, house and views beautiful. You can't beat the views from all the windows that run along the back of the house. Wes who greeted us was great. It was very hard to leave!

Accurately named 'Paradise Found'

After a long day in the sun, the bath towels were lofty and soft on sunburnt skin. We could walk to a restaurant with a good variety. Come bedtime, We opened the patio door while the ocean lured us to sleep.

St. Croix - 2022

We had a great time in St. Croix. We stayed at this property for 2 weeks and our kids joined us for one week in the middle of our trip with their boyfriend/girlfriend. My daughter's boyfriend proposed to her on this trip which made it extra special. The house was spacious and had plenty of outdoor seating and was very clean. We will definitely sta...

They stayed in the pool house and enjoyed the very best views, but it is hard to complain since there are stunning water views in just about every corner of the property. It was har...

Truly Paradise Found

This property was perfect! It is really well cared for, had everything you can think of and was situated in a peaceful part of the island. We have booked VRBO properties for many years and this property ranks as the very best! Truly paradise found for our family.

Paradise Found

The house was lovely. The kitchen was well stocked with everything needed to cook and make cocktails. The beds were very comfortable. The swimming pool was fantastic! The location was amazing, with a perfect view of Buck Island. The house is located on the east end and it was very quiet and relaxing. The closest city to the the house is...
