## Perfect family trip

Our family of 21-ages 3 months to 66-just finished a perfect vacation at Polaris Pointe. The house and grounds were absolutely beautiful !!! The views are incredible, both from the front and back . The swimming pool is the largest we have ever had at a rental home. The grandchildren had a ball in it every day. Bob and Will were so helpful answering all my many questions before we got there and then Roosevelt was there to help us in any way we needed . He was always so pleasant and cheerful and he went out of his way to make our trip perfect ! Chef Brady and Sherlyn cooked delicious breakfast and dinner meals for us. The stuffed chicken, lobster , and pork chops were unbelievable . We took a wonderful day trip with Lyric Sails. Captain Mike and Brett were so kind and accommodating. Mermaid Beach at the Buccaneer Resort was amazing and the food was delicious. If you are looking for a trip your family will always remember, go to Polaris Pointe!

Nancy: Thank you for your kind review! It was an absolute delight and pleasure to have you and your family stay with us. We believe we have the most beautiful house in the Virgin Islands and some of the most amazing views in the Caribbean. It's so nice when people visit and enjoy the home as much as we do. We hope to have you back with your entire family sometime soon - thank you for staying with us!

We will be finishing out the putting green and driving range this Spring, so that families can enjoy putt putt with her grandkids or the adults can enjoy driving a few balls into the valley. We worked with the pros who work for Top Golf to build out the putting green. We're glad you enjoyed the pool as well. At 902 ft.<sup>2</sup>. It's one of the largest pools that you're going to find at a private residence. Again, thank you for staying with us , Nancy, as we hope to have you back soon.

We had a fabulous trip to St Croix. 14 of our closest friends spent 8 days at the Polaris. House is big enough that no one felt crowded plenty of room for sitting and reading a book The 360-degree views are truly unbelievable. Buck Island and Hamilton's are two highlights and should not be missed. Bob and Roosevelt were hands on the entire week.

Thank you Mike for your compliments. It was indeed a pleasure to have you and your friends as our guests at The Polaris Pointe! We hope to have you and your friends back sometime soon. We agree with you that we have one of the most beautiful views on the island of St Croix. And sailing out to Buck Island with Cap'n Carl and dining with Keisha at Hamilton's are two of the most enjoyable experiences on the island as well. We are continuing to strive to become the very best villa in the Virgin Islands. We wish you all the best during the holidays and look forward to seeing you again soon!

2022 Family Vacation

Our St.Croix family vacation was amazing!!!

When we first stumbled upon this property it almost seemed too good to be true. Polaris Point had great ocean views from all areas of the house, the space was amazing with enough bedrooms, bathrooms and not to forget the pool and patio was an awesome area for the family entertainment. Destiny our chef was amazingly talented and made our family wonderful meals during our stay. Roosevelt and Team were amazing and provided us with a warm welcome. They were all attentive, easy to get ahold of and very accommodating which we greatly appreciated.

Unfortunately we did have some unexpected downfalls that occurred, which greatly inconvenienced my family but the house manager did what he could to rectify the issues during our stay. The owner could have been more empathetic to our concerns and the upkeep of the property could have been better.

Overall St. Croix was a great place to visit & the family truly enjoyed our vacation which was memorable. We will definitely visit St. Croix again.
