## North Shore Diamond

My wife and I are frequent visitors to St. Croix and frequent VRBO'ers. We have a few spots that we frequent on St. Croix and we prefer the North Shore. This was our first stay at this property but it will definitely not be our last. The property was very well maintained, the amenities are top notch (internet was 150/30), TVs and entertainment options good, kitchen appliances are fantastic, washer and dryer are high end, and the owner's and manager's communication is superb. The layout is perfect as the main floor has the great area in the middle (kitchen/den/common area) and large bedrooms and private baths on either side which is perfect for 2 couples (or kids :-)). There is also an entire apartment downstairs as well so it is truly great accommodations for 6 friends if needed. The property literally sits on the North Shore and you can sleep to the sound of waves. The AC units work great and they even have a large unit in the common area that will cool it down as well which is not that common in other higher end houses on the island. The yard offers some great places to enjoy the outdoors (well kept hot tub) and there are also balconies attached to every room. Parking is also good which again is a blessing on the North Shore. Close to Cane Bay and some great food spots. If you don't rent this place, you are missing out on an amazing opportunity to enjoy the island with all of the creature comforts of a well maintained and superbly furnished property.

**Excellent House & Location. The Only Place You Should Stay in St Croix!**

We had an amazing stay at Christie and Conway's property on the North Shore of St. Croix. From the moment we arrived, they went above and beyond to ensure we had a comfortable and enjoyable stay. They even provided a personal escort to the house for part of our party who arrived late at night and left us with a little rum and milk to settle in.

The property itself was exactly as described and pictured on the website - clean, well-maintained, and with beautiful ocean views from every room. The kitchen was well-equipped and we had everything we needed to cook, even making a delicious barracuda ceviche with a catch from our charter boat trip. The beds were extremely comfortable and we all slept well during our stay.

The outdoor decks were the perfect spot to relax and enjoy the views, with pelicans diving and whales and rays occasionally passing by. We also made use of the hot tub and hammock to fully unwind on our vacation.

During our stay, we had a small issue with one of the microwaves in the downstairs suite kitchen, but Christie and Conway quickly provided us with a replacement. Their customer service is impeccable. Their book of recommended activities and restaurants was also a great resource and helped us make the most of our time on the island.

Overall, our experience at Christie and Conway's property was fantastic. The weather was beautiful and we were able to fully relax and enjoy our vacation. We would not hesitate to stay here again and recommend it to anyone visiting St. Croix.
