2 full baths

Spaces

Kitchen · Deck/Patio · Dining Area

Massive outdoor remodel just completed in May 2023.

Some of the most magnificent views in the Caribbean. This 2 bedroom 2 bath main house is a tropical dream. Wrap around porches and extensive pool deck areas are surrounded by beautiful palms, huge flamboyant trees, bougainvillea, orchids, papaya, banana trees and more. Locals say it's among the best views on the island. Incorporating north & south shore views with lush hillside make this setting ideal.

Enjoy delightful ocean breezes while scanning the horizon or down the coastline at Buck Island and the lights of Christiansted. Need a break from the sun? Then relax under the shade while viewing the pool and the south shore. Wake up to views of the ocean and the sparkling pool from the master and guest bedrooms.

Massive outdoor renovations completed in March 2023 for pool and outdoor lounging areas. 2020 renovations included all new appliances in the kitchen and a freshly painted and redecorated interior that are warm and inviting. Located off Scenic Rd East overlooking Salt River Bay and the Caribbean to the North and the valley and

south shore from the pool deck. You'll find access to dining, beaches, historical sites, airport and downtown Christiansted all within a 5-20 minute drive.

Everything was great! House and scenery were beautiful. Great central location to visit all corners of the island.

The house was fantastic, and the owners were very responsive and wonderful to deal with. The house was very clean! It is perched on top of a mountain with an incredible view. The drive up to the house is a windy mountain road, but it is paved and easy! We

enjoyed our daily visits from Scubie, the neighbor's very sweet dog. We didn't even use the pool because we were too busy exploring the island, but it was very pretty and well maintained. Overall I would highly recommend this house, especially for a small family or two couples.

The property is exactly as advertised! The owner and property manager responded quickly to any question we had. The view was outstanding, the location quiet, the pool was bigger than I was expecting.

Perfect getaway.

The house was perfect for two adult couples with our own private rooms and bathrooms. Great views from both the back and front, pictures don't do it justice. Easy check in and excellent communication before and during the trip with the property manager. Highly recommend!

We spent 10 nights here at the end of March 2022 and did not want to leave. The location is great. Beautiful views of the north side of the island including sunrises. The pool is great as it has a deep end which we always enjoy. All of the appliances are new and there is a lot of space in the open area. It is also centrally located so it is 30 minutes to Point Udell and a little less over to Sandy Point. You can get to Christiansted for dinners in about 15-20. We are going to provide the hosts (who are great to work with) a PDF with some day outing ideas based on what we did. We were extremely active and did a lot of beach hopping and exploring of this beautiful island. We highly recommend this property and plan on returning in the future.
