Have you ever dreamed of waking up in the morning to gorgeous sunshine, while looking out over your own private pool with amazing views in the background of the mountainside situated next to the beautiful Caribbean Sea? Well I have, and this is the place! I never get tired of the view or the fantastic weather. The master bedroom has a king sized bed and a chaise lounge where you can relax and read. The second bedroom has 2 twin beds that can be pushed together if you wish. Both bathrooms have full, spacious, marble showers and granite counter tops. The kitchen, with it's wood cabinetry and granite counter top has everything that you will need. Amenities include a stove, microwave, dishwasher, coffee maker, toaster, and blender. The great room boasts a large flat screen HDTV that comes complete with cable and Netflix. The outside lanai area holds your personal pool (roughly 15' wide x 20' long) and has 2 loungers for sun bathing, a small table with 4 chairs for dining under the overhang, and a BBQ gas grill.
