The Madeleine Great house is a 4000 sq.ft. private estate with spectacular views of north and south shore where you can enjoy your vacation on St. Croix in luxury.

This grand estate once graced the cover of Architectural Digest and was home to an iconic restaurant prior to being converted to a private home nearly two decades ago. The original opulent bar is still in use and opens a covered patio area and outdoor pool overlooking buck island national park.

A large king suite is on the main level. Upstairs is another King suite and a double queen suite; each with full baths and private balconies.

Please contact us for special rates for one bedroom only.

The Madeleine is located on the very desirable east end of St. Croix and is close to beautiful beaches, Point Uduall hiking and some of St. Croix's favorite restaurants.
