Kitchen Living Room Dining Area

Run away to St. Croix and escape from it all at Peaceful Palms; this amazing villa provides perfect privacy for two couples making any time here just peaceful!. The entire villa is equipped with AC, making it easy to lounge in any area of the home; however even if the island breeze is your reason for vacationing in the islands, have no fear as each room has double doors & windows that can be easily opened. The main house consists of an open layout living/dining area and beautiful newly renovated kitchen. Just beyond here, is the master bedroom furnished with a king bed, bath and powder room, all opening to the private pool deck which leads you to the guesthouse. As it is accessed from the pool deck it allows that private time for couples to enjoy on their own; it offers a separate bedroom/bathroom suite with a queen bed. (Each bathroom has gorgeous pink marble walk-in showers).

The villa amenities include (but not limited to): fully equipped kitchen (dishwasher, microwave, small appliances etc), beach towels/chairs, TVs with cable in each room, printer for boarding passes/remote working, an awesome collection of movie (DVDs), high speed WIFI and tennis rackets for the tennis court. The house is also equipped with an automatic generator which powers the villa during the "common island power outages" and whole house water purification.

At Peaceful Palms, you can leave your worries behind and rest easy knowing that your vacation will be safe, uninterrupted and hassle free. The house is roughly 100' above sea level and is located in Villa Madeleine, a gated community with a night watchman. The villa is a ten-minute walk to the casino or the nearest beach and a short drive to other hideaway beaches and fine restaurants; with one of the best - Duggans Reef Restaurant just a 3 minute drive down the hill. If you are looking for a lovely, quiet and private paradise where you can get away from it all, Peaceful Palms is for you!

Whether you choose to enjoy water sports out on the West End or hiking tours through the Rainforest to fill your days, you'll find Peaceful Palms to be an ideal base; however you may decide to spend most days simply enjoying this delightful villa with its private pool! All in all,
