Villa Madeline has many lovely villas but Blue Thalassa is a stand out. It is pretty, it is very clean, it is well cared for and well appointed. The owners have made it turn key and ready for you to enjoy your vacation.

Spectacular view, space, privacy and private pool

This was just as pictured and described, even better. The villa was comfortable, well stocked with all necessities for the kitchen and bath. Plenty of information about the island and the history of the villa complex to read. We loved every minute of our vacation at Blue Thalassa and would stay there again in the future.

We thoroughly enjoyed our stay here. The property was just as beautiful as shown in the add, and Dino the owner was really helpful. I definitely would recommend staying here.

We enjoyed our rental and the ample space for a family of 4. Great spot to relax and a fantastic “home plate” to return to following daily adventures around the island. Advertising represents the property accurately and the property manager was very helpful and got us in and settled quickly.
