Extra Vacation Time

5/5 Stayed Dec 2022

Extended our St. Croix stay at the last minute and was able to book this villa. Very nice villa with a great pool & view. One item to note is that parking can fill up at the villa. There were cars blocking us in so we had to ask the neighbors to move. No issues just something to be aware of.

My wife and I just got back from a fantastic week at this beautiful villa. The place was well stocked and very comfortable. The owners and managers were very responsive. We enjoyed the private pool tremendously.

Place was clean and communication with the host and property owner was above and beyond what was expected. Would definitely stay again.

To say anything less than amazing would be a lie. The view was beautiful the house was perfect for 2 couldn't have asked for a better place. The owner reached out to us and stood in touch in case we needed anything. Can't wait till next year
