Peaceful retreat high on the hill

We loved Splash of Lime. It's one of the rare 1-bedroom units at Villa Madeleine, and the view to the north side is just gorgeous. Kitchen is teeny tiny (as are all VM units) but perfect for our needs, which mostly involved tea, coffee, breakfast, and one night in eating a simple dinner of omelette and salads. The unit is bright and airy - we never used AC - and the poolside deck and French doors make it feel like you're on your own little private island. Decor is Caribbean - bright and sunny, but not at all cheesy. Very comfy beds and linens, and nice big marble shower. The small sofa in the living room has seen better days and perhaps should be replaced. All communications with owners were easy without any misunderstanding, and they are very responsive. We would visit again!

Just a breathtaking property, beautifully appointed and location phenomenal!!

Owners were a breeze to communicate with!! Lovely, lovely. Eat at Blue Water Terrace, best lobster around and its not mentioned anywhere!! Get a private boat charter with Caribbean Sea Adventures, worth the money.

Thank you Tom and Hillery for an amazing vacation. ❤️❤️

A Splash of Lime in the Summer!

My wife and I had a great time this summer in St Croix. There were lots of nice places to each and beaches to enjoy the sunshine. The home was the icing on the cake! Awesome views and the private pool was perfect. Absolutely nothing bad to say about the house. I only wish St Croix had Uber services! :-)
