**MIRAMAR IS A SPECTACULAR VACATION HOME IN ST CROIX.**

Miramar is one of those homes that you can't wait to return to. The house is beautiful and perfect for families, making sure we had everything we needed to enjoy our stay. Sometimes pictures do not really do justice to the photos of the house and when we arrived it was everything I hoped it would be. Beautiful views, attractive everything you would need or want in a vacation rental.

**BEAUTIFUL SETTING, WONDERFUL VILLA, BETTER THAN EXPECTED**

There were nine adults in our group and everyone thoroughly enjoyed their stay at Miramar. The villa is as described on the web site. It is located directly across from Buck Island on the north shore on the east end of St Croix. The property manager was helpful with orientation of the villa, write ups on where to dine, fun things to do, and events taking place. There was an excellent chef who prepared some wonderful meals for our group at the house. The villa is remarkable. The accommodations, were all outstanding. It did help that the weather was perfect every day of our stay. All thanks to the property manager.

**REALLY MAGNIFICENT. HIGHLY RECOMMENDED!**

Miramar is a most luxurious home situated on the most beautiful of Caribbean Sea-front settings. The sea views are available from virtually every corner of the house, from every bedroom and common area. The rooms are decorated with Italian granite, coral stone and Travertine throughout, and the furniture, artwork, oriental rugs – even to the smallest detail. Without doubt there is another home in the Caribbean that can compare. The interior walls and ceilings are even more beautiful. The deck is a delight that we never wanted to leave day or night, with heated color lighted infinity pool, multiple chaises, a state of the art barbecue and fabulous steady breezes. During the day the boats, kite surfers and water sports are at night a most amazing sky. Jamie's kind manner and advice about what to do and where to go made the stay enjoyable for all with family and friends.

**BEAUTIFUL HOME! LAID BACK TROPICAL FUN!**

The Granger family (and friends) had an absolutely wonderful time staying in the beautiful Miramar home. The property manager provided tropical fun, St. Croix has to offer.

We spent a very special Christmas and New years holiday here, and even celebrated our mom's BIG birthday here, and plenty of time in the infinity pool. From day one, Jamie made us feel welcomed, and a part of the family. She made it happen in no time! It was truly a luxury to have her here assisting us with anything we needed, from recommendations for island tours, etc.

I have traveled extensively throughout most of the world, usually staying in 5 star hotels and luxury home visits. My visit to Miramar was my most enjoyable experience in many years.

The bedrooms and Great Room were superbly furnished with wondrous decor and finishing s. Each room presentation and wealth of comforts that were fully appreciated and enjoyed by us. The master bedroom Hollywood set. The magnificent oceanfront travertine and coral deck was used by us both day and evening. Pool, chaises, group and private seating, professional barbecue and dining areas – all surrounded with a preferred vantage opposite Buck Island, was most extraordinary. The frequent passing of pelicans and occasional kite surfers, was a visual delight. Maybe most significant were the pleasant ocean breezes throughout the outside area.

As a longtime kitchen dweller who loves to cook, I found the kitchen to be exquisite and immediately took to the finest appliances. Miramar's house manager, Jamie, was extremely gracious and helpful on all matters. I would recommend Miramar to all my friends in the entertainment industry, except with concern Miramar may not be available. My highest recommendation and I cannot wait to revisit this spectacular house and setting.

### **LUXURIOUS, PRIVATE AND RELAXING**

Miramar is an extraordinarily special, one-of-a-kind place. The privacy, the views, the amazing pool, the relaxation it provides are without equal. There is a lot to do in the St. Croix area, including beautiful sailing and charming restaurants, but what was hands-down most memorable to us was enjoying the whole Miramar. We were able to fully escape, unwind, and refresh ourselves. We wanted to stay forever! The owner was very helpful and the house manager was fabulous. The house is very spacious and beautiful and was fully stocked with everything you would need for a perfect vacation. We will certainly be back! Highly recommended!
