We loved the property and would stay here again. The layout of the house was perfect for our family. Very clean, great pool, and breathtaking views.

If you need the perfect place to relax and get away from everything, look no further! As soon as you enter the home welcome to the zen zone where you can enjoy an incredible view alongside a gorgeous pool and patio area. Great location on the island close to restaurants and fabulous beaches. If you want to venture into Christensted it's only a 15 minute drive. It's truly a wonderful getaway!

Feb. Stay at Villa Panorama

The property was really lovely. We especially loved hanging on the patio. It was comfortable with fantastic views. We ate most of our meals at the outside table. The kitchen was better equipped than most places we've stayed.

Up on the hillside gave us not only spectacular views, but great breezes to keep the bugs away. We didn't need to run the ac to be comfortable.

My only criticism was that I didn't get directions and check-in information until the day before which made me stressed. A few minor issues arose during our stay, and Robin, the property manager, was quick to respond and address them.

This property exceeded our expectations!

Loved the great deck overlooking the ocean and Buck Island - so beautiful. Lots of space to spread out/read/relax/eat/swim. Nice home that 3 couples could all find space in nicely. Not too far to drive to several east end beaches either. Liked Ziggy's and Castaways right down the road for a quick bite. Small issue was that one king mattress & the washer were a little rough - but repairmen showed up for both, so it must have been noticed earlier and was being attended to near the end of our stay. I would definitely recommend this home if you are coming to St. Croix!

We had such a great time at this property. It had everything we needed. The location was perfect close to a store and a few places to eat easy access to everything and such a pretty view! We would absolutely stay again!
