We stayed here for 9 days for our anniversary. The owner was very responsive and went above and beyond with communication. Comfortable beds, plenty of linens and incredible outdoor space with peaceful views.

Our family loved this home. The beaches were close and the pool was amazing. We have stayed at many VRBO homes and this is by far our favorite.

The owner was so responsive and kind, and the property had fantastic views, charming decoration, and was well stocked with everything you could want. We stayed in St Thomas and St Croix and would encourage anyone to skip St Thomas and just come here instead. What a nice, relaxing stay. Thank you!
