Villa Golden Blue is a private home situated on one of the prime knoll tops on the East end of St. Croix. It features a magnificent vista to the North Shore including Buck Island and the St. Croix Yacht Club. To the East is the iconic Countessa's Castle and unequalled expansive views of the rising sun. The Southern terrace offers mesmerizing ocean views with the sounds of the ocean waves on the coral. At night this terrace is superb for stargazing.

The large free form pool is surrounded by native flora. Open, large doors create breezes to make outdoor living indoors. The property has plentiful patio space surrounded by flowers and palm trees for private reading and relaxing. The kitchen is fully equipped including a commercial gas range. All bedrooms are equipped with a/c units. Newly installed ultraviolet water purification system.

The closest beaches are Cramer Park and Jack and Isaac's Bay located 3 - 5 minutes East respectively to the villa.
