Amazing Property

The view from the house was simply jaw dropping. The property was incredible, very clean, and included all the amenities we needed. The design of the house, with separate wings, allowed for privacy between us and the additional couple that joined us. Note: The main wing only includes one bedroom. Our host Donna was very attentive and responded quickly to our call and texts.

Gorgeous View and Home!

The photos of this house just don't do it justice. After exploring most of the island we think this is the best spot. The view was spectacular and the house was incredible. I never cook on vacation but we cooked 2 nights because it was such a wonderful house. We loved the proximity to the Buccaneer and to Christiansted. You better rent this while you can. We would absolutely stay here again. This house was great for our family of 4 but would be perfect for 3 couples. It has everything you need including beach chairs, towels, coolers etc. The owner's were so generous with renters access to items that you can't travel with. Best house we've ever rented!
