Couldn't get tired of the view!

Lovely place to stay! The view of the ocean was never tiring. The beds were very comfortable. The bar well stocked. The rental mgr was so easy to work with and a pleasure to communicate with. We would stay there again. Keep in mind, I wouldn't stay there with younger children.. The home isn't designed for kids in mind. The saltwater pool was fun, but a bit on the chilly side, oddly shaped and in the middle (we believe) is 10 ft deep. We did love staying here. Several days we didn't want to leave. Coffee in the morning with ocean views and sounds, NEVER got old! We even saw whales off in the distance, and on the clear days did see St, John and Thomas and Puerto Rico. The leatherback Landing Restaurant isn't very far away and a great place for food and drinks at Cane Bay. Loved playing in the water there! Other great places to go on the island for meals, are SALT...
