### Tropical Oasis

We have never vacationed outside of the continental US, so we didn't really know what to expect. This vacation absolutely blew us away! The Hibiscus Beach House was beyond our expectations. Usually when we rent vacation homes I have to tidy up a bit before we unpack, not this time though. Everything was in order and we immediately unpacked our bags, took a short walk down the beach and then jumped in the pool. Centrally located on the north side of the island, we were able to get around quickly and conveniently everywhere we wanted to go. We loved meeting Blackie and Stew, the friendly Salt River neighborhood dogs and also enjoyed the visits from a

couple of local iguanas while we were poolside. We learned much about the history of this beautiful island and enjoyed our excursion to find the Monks Baths as well as snorkeling Buck Island and kayaking in the bioluminescent bay. Everyone on the island was warm and friendly and we haven't stopped talking about a repeat visit in the future. Hibiscus Beach House was truly a tropical oasis for our family.

### Lovely, quiet and scenic

Such a beautiful house in a paradise-like location. And the best part was getting to have Blackie the dog hang out with us! Wish we were there now.
