### Moonwalk - mid century modern home on North Shore St. Croix

Waterfront vacation home with an outdoor pool

Moonwalk is right on the coast on the east end of Cane Bay. The open air house was built by a shipbuilder and feels like a magnificent mid-century modern boat. The breeze from the sea blows through the house throughout the day and the sound of the waves lulls you to sleep at night. The view from the upstairs balcony is postcard-worthy. Amenities include pool, wireless internet/TV, full kitchen, washer/dryer, and of course, the ocean just beyond the back gate.

Our Caribbean Life episode "Southern Charm in St. Croix" from season 6 still occasionally airs if you want to see more of the house and probably more than you want to of us.

Please note in the photos that the wall separating the air-conditioned bedrooms does not extend all the way to the vaulted ceiling, and because of the open nature of the stair/loft railings the house may not be the best fit for unsupervised young children.

#### Great Location for Awesome Vacation

This was a great house in the perfect middle location to explore the entire island. It is the beach, so anyone who's had experience with that should know what minor inconveniences to expect. Sure, there's wear, tear, sea spray, etc.; but it is a HOME, not a luxury hotel. We loved it because of that and would stay again. The art and treasures everywhere, from the large driftwood octopus to the small bottle cap, were intriguing discoveries that probably had great stories behind them....

#### Gorgeous unique property worth the stay

The pictures online do not do this property justice. Listening to the soothing sounds of the surf and lounging by the pool in the afternoon made this a very relaxing vacation. Great communication and support from the owner. Clean and comfortable. Because of the steady ocean breeze we never turned on the air conditioning. That wonderful ocean breeze does come with a bit of salt spray which makes for some corrosion here and there but hey #islandlife, it's a...

#### I Wish We Didn't Have To Leave....

Before I booked this house, I did a lot of research where to stay. As someone who had never been to St. Croix, I really didn't know where to be. I am so glad we chose to stay on the North Shore. The location for us was fantastic 20+ mins to the West Side and 15 to Christiansted. I wanted to be close to restaurants at night. We could have walked we were so close, but we chose to drive. The Landings was great, AMA was fantastic, Rowdy's was delicious (try the...

#### Great location, views are incredible!

This is a great house fully equipped with everything you need to fix meals. The pool was amazing and views incredible! Easy communication with management. Recommend! Only advice is make sure everyone is fully aware that ac is only in the 2 bedrooms and only used at night. AC is not in the loft that is used as a bedroom area.

## About the host

Hosted by Bob

Bob and Dru reside in Charlotte, NC, with our two kids, and have traveled extensively throughout the Caribbean over the last 20 years, always looking for the island we would retire to along the way. When we finally hit St. Croix, we knew this was it - the perfect balance of unspoiled beauty and local culture. Being less heavily traveled than many of the islands, the reefs are pristine and the people that live here warm and friendly.
