### Caribbean Amazing Staycation

Listening to the ocean waves and viewing the gorgeous waters made a totally relaxing two week vacation. Iguanas, turtles, bananatwits, oyster catchers, and pelicans were such fun to watch. The house was so well equipped for grilling and eating in. We enjoyed our daily rides to various beaches and restaurants during our stay. Pelican Perch was fantastic!

### Great house for a group

Had a great long weekend in the house. It was bigger than we expected and fit all 11 of us (4 adults, 7 kids) easily. The games were a lot of fun and we enjoyed the wood stove. A short drive to Mount Snow, and to the fun amenities at Chimney Hill (pool, arcade, skating rink). Owner was super responsive and helpful. Highly recommend!

### Turtles and pelicans, oh my!

Property is more lovely than the photo's show. The villa was beautiful. More than that, waking up every morning to the sounds of the surf and then drinking your coffee watching the pelicans dive for fish and the turtles (2 we think) surface for air. Pure magic! Jill was very responsive to our questions and a great host. The villa is a 20 minute drive from everywhere in the East End of the island. Check out Ziggy's. Live music on Mondays! Grapetree beach is 5 minutes away. Definitely worth a look. In short, could not recommend this place more!

Great stay

We had a great time at this property. The views are fantastic! The property is clean and well-appointed with every kitchen item you could imagine. It's close to several restaurants and the casino while being extremely quiet. I hope we can make it back soon!

**Family vacation**

Our family of 5 stayed for a week at this amazing house. It was located in a perfect spot on the island, just far enough out of town. The house was well equipped with everything you will need for your time on the island. The beds are comfortable, and the living area was perfect for a relaxing evening. We will definitely stay here again when we return. Thank you for Sharing your beautiful home with us. 🌴👍🌸😊

### Beautiful St. Croix home

We had a great stay at this beautiful home. It was our first time in St. Croix and we loved it. The house was just as described and had everything that we needed. It is so quiet and peaceful. We enjoyed the turtles and even saw rays jumping out of the water. Jill was very responsive with just a few questions we had. Thank You!!
