What an AMAZING home!!

Rainbow Cove is a luxurious place to stay in St. Croix. While the pictures provided are amazing...the place is even more magical in person. The details in this home are spectacular! I took my two young adult children...ages 20 and 18. My daughter and I stayed in the main house, and my son stayed in the cottage. We each enjoyed our own private spaces, and when together, we hung out at the pools, in the kitchen, on deck over looking the water, or watching a movie together. While the home is bit of a drive to most things on island, I found island easy to navigate. It was always nice to come back to spend time relaxing in comfort. The owners were very communicative when I had a question, as was the property manager. He checked in multiple times during our

stay plus stopped by to check on pools. I was appreciative of both as it was obvious they want their guests to feel at home while on vacation. I highly recommend Rainbow Cove! One of the best homes we have stayed anywhere in the world!

Relaxing stay watching turtles

Rainbow Cove was a gorgeous villa with a gorgeous view. Up on a cliff but could still hear the ocean. We spent a ton of time watching the turtles below come up for air. At least 5 turtles all the time. Pelicans were also constant visitors. We had a minor issue the first day of our stay and the owners were super responsive. Excellent hosts! Would stay here again for sure!!!

Amazing

Wow! The pictures do not do this home justice. Words cannot articulate the beauty and the peace that wrap around you when you step thru the gorgeous wood doors. I could go on and on - but really just encourage a stay to experience yourself. The owner went out once for an hour which we took full advantage of by the pool where we all fell asleep with the sound of crashing waves and cool breezes. More than the home - St Croix is beautiful and home to extremely nice locals. In all my travels , I've never fallen in love with the people like I did here.

A true paradise

Our first visit to Sr Croix and definitely not our last. The place was true to description and even better. Comfortable and beautiful accommodations. Clean and nicely decorated with all amenities. Plush bath towels, soft linens. The view of the ocean cannot be topped, and the constant sound of the waves was so nice to wake up to and sleep to at night. I loved watching the sea turtles from the pool patio and watching the stars at night.

.Our communication with the host was super easy and they were quick to reply with any questions we may have had throughout our stay. I would highly recommend this place if you are looking for a real escape to Paradise.

Amazing views and amazing house

This was the perfect place for our family vacation. This place was everything it advertised and more. We took our two grown sons and one of their fiancés. There was comfortable space for everyone. The house had everything we needed and the views were spectacular. We would definitely go back to this property!

Turtle Haven

Perfect Villa. Views for miles with abundant sea life, quiet location, immaculately clean, comfortable beds and large amount of kitchen amenities. We have stayed in many beautiful villas on St. Croix and this is one of the best.

Secluded retreat w animal watching

This house was better than the pictures showed. The two bedrooms are on separate end of the house which is nice and each has their own bathroom attached. The kitchen was fully stocked and Internet speed was better than in the US. Breathtaking views from every balcony, the living room, kitchen, and dining room. Loved watching the turtle loved watching the turtles, iguanas, and the pelicans every morning and every morning with our cup of coffee. The waves were very soothing at night. And stargazing was amazing.
